

Jaquith Public Library
Special Trustees Meeting Minutes
June 27, 2023

Present: Kara Casey, Sonia Carrasco, Annie Reed and Cathy Chodorkoff; Susan Green, Librarian

Meeting convened at 6:05

Agenda:

- Librarian's Hours and Health Insurance

Discussion ensued about Susan's reduced hours of 27 per week returning to 30 hours. The 30 hour week will enable her to continue her health care coverage without it being prorated and needing to contribute more out of pocket. The decision was made to support this. Since the additional hours were not included in the town appropriation, we will fund the additional hours through grants and, if necessary, discretionary investment funds.

Vote to support this was unanimous.

Meeting adjourned at 6:37
