Librarian's Report 5mins

Building is now open to the public. Access is now through both the side door and the front door. Mold testing was done and abatement treatments have been done. Water is still seeping into the elevator shaft and from there into the basement. There's been no maintenance person, but there will be again soon. See librarian's report for details on other information.

Upcoming events and programming (download from Concert series, Harvest fest) 20mins

There will be a cider press available at Harvest Fest. Burt's will be providing dropped apples for cider, we'll need to pick them up. Still looking for someone to cover the art table. Trustees and Friends will cover the food tent and the book/bake sale – not sure which group will cover which area yet. Ingredient lists need to be included with the crock pot dishes. Volunteers are still being lined up for making bread. Village Store will also provide pizza for additional food. Larkspur and Adam and the Orbits will be performing. Morris Dancers will perform. Fourteen vendors/non-profits will have tables. There will be other events happening in the afternoon – 3:00ish. Silent auction will be set up for final bids since so many concerts were cancelled due to rain this summer.

Annual appeal 15mins
